35. Reach Mobile agrees that in the event that Reach Mobile breaches the commitments set forth in this LOA, to include conduct contrary to timely USDOJ objection to any notice submitted pursuant to this LOA, USDOJ may request that the FCC modify, condition, revoke, cancel, enter other declaratory relief, or render null and void any relevant license, permit, or other authorization granted by the FCC to the Applicant or its successors-in-interest, in addition to pursuing any other remedy available by law or equity.

36. For purposes of counting days in this LOA, the day of the event that triggers the period is excluded, but every day thereafter is counted, including intermediate Saturdays, Sundays, and legal holidays. Include the last day of the period, but if the last day is a Saturday, Sunday, or legal holiday, the period continues to run until the end of the next day that is not a Saturday, Sunday, or legal holiday.

37. Reach Mobile understands that, upon execution of this LOA by an authorized representative or attorney, or shortly thereafter, DOJ agrees to notify the FCC that it does not object to the FCC's consent to Reach Mobile's application.

Sincerely,
