Marlene H. Dortch, Secretary  
Federal Communications Commission  
445 12th St. SW  
Washington, DC 20554

To Whom It May Concern:  
I would like to be recorded as objecting to LightSquared’s petition to the FCC to affirm its license and allow it to begin work as I believe it will interfere with my high-precision GPS system used for survey work at MKEC Engineering Consultants, Inc. in Oklahoma City, Oklahoma and also in Wichita, Kansas.

Thank you,

Kevin Ingram, RLA
